45,000 words
£12.99

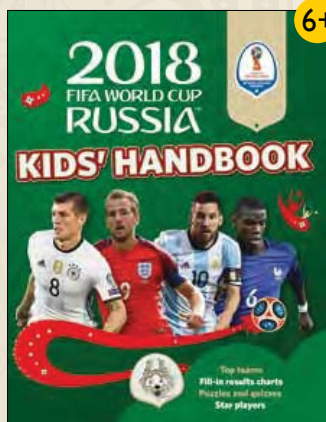

2018 FIFA World Cup Russia™ The Official Book is the most authoritative and comprehensive preview of football's greatest tournament. Licensed by world football's governing body, it is packed with stunning photography and expert analysis of all 32 teams, their star players and prospects in the finals. It features a guide to all 12 stadiums and 11 host cities, a comprehensive review of the qualifying competition, a history of the FIFA World Cup™ and a tournament progress chart for the reader to complete as the tournament progresses.

KEIR RADNEDGE has covered football and the FIFA World Cup for more than 50 years and written more than 50 football books, from tournament guides to encyclopedias. As an analyst, he appears regularly on the BBC, Sky Sports and the US cable news network CNN. He was editor of *World Soccer*, the leading English language magazine on the global game.

SELLING POINTS

- This tournament guidebook is officially licensed by the Federation of International Football Associations (FIFA).
- Russia is the first nation from Eastern Europe to host the FIFA World Cup finals. The 32 teams will play 64 matches in 12 stadiums across 11 cities.
- The opening ceremony will be held on Friday 14 June 2018 and the final on Sunday 15 July, both in Moscow (at the Luzhniki Stadium).
- England made it to the finals with one round of qualifying to spare.

£30.00

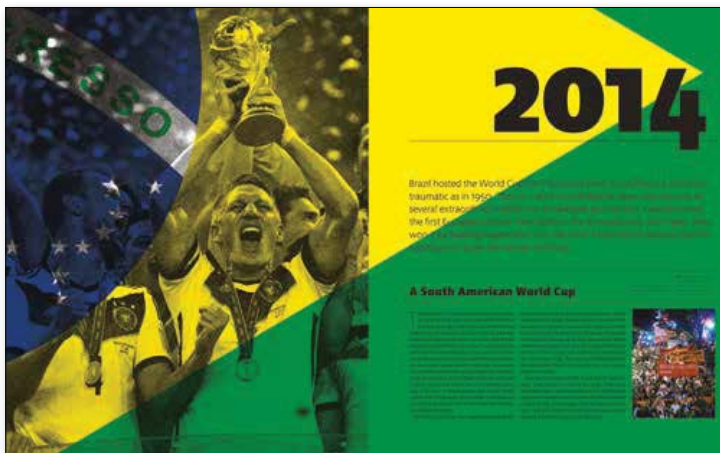

The Official History of the FIFA World Cup™ is an authoritative and comprehensive review of the 20 FIFA World Cups to have taken place since the inaugural tournament in 1930. It is packed with stunning photography, reports and noteworthy moments from each tournament, as well as statistics, unique official documents and memorabilia from the FIFA World Football Museum.

No other event in the sporting world can rival the glamour, impact, fervent following and universal appeal of the FIFA World Cup. This unique volume tells the stories behind the scenes, as well as analysing the most famous and infamous incidents. It also features the biggest stars from around the world and many previously unknown ones too, all with a unique point of view.

SELLING POINTS

- This is the only World Cup history to be officially licensed by the Federation of International Football Associations (FIFA).
- According to FIFA.com's statistics, 113 million fans connected with official World Cup content on handheld electronic devices at the 2014 FIFA World Cup and the official app was downloaded 24 million times.
- FIFA has more members (211) than either the International Olympic Committee or the United Nations; 208 nations participated in the qualification competition for the 2018 FIFA World Cup.
- The 2018 FIFA World Cup will be hosted by Russia for the first time. The hosts and defending champions Germany will be joined by 30 other countries in the finals.

The Ultimate Encyclopedia of Tennis is the pre-eminent single volume illustrated work of tennis reference, tracing the game from its relaxed beginnings as a pastime of the 1800s through to what has become the high-energy global sport of the twenty-first century. John Parsons' celebrated book includes comprehensive chapters profiling the legends of the game and more than 150 top players through history; analysis of tennis's greatest matches; world famous tournaments and global development, as well as extensive features on the politics, controversies and oddities of the game.

Packed with 240 photographs and complete with a record of every Grand Slam winner, the players, tournaments and issues of importance in tennis are highlighted in detail in the book. Written by two of the game's leading authorities and fully revised, updated and expanded to include all the stories of 2017, *The Ultimate Encyclopedia of Tennis* is the definitive work on the subject, with every page an information-packed celebration of one of the world's most exhilarating sports.

Writer and broadcaster JOHN PARSONS wrote about sport for half a century, starting at age 14. He covered tennis for more than 30 years, wrote *The Official Wimbledon Annual* for 20 years and was awarded the Ron Bookman Media Excellence Award for his writing in 1998. HENRY WANCKE is the editor of *Tennis Today* magazine and the Secretary of the Association of British Tennis Writers.

Sport

SELLING POINTS

- A stunning illustrated celebration of tennis written by two of the sport's leading authorities.
- The foreword has been written by former British No.1 and world No.4, Tim Henman – now a respected commentator and analyst.
- British tennis is beginning to show the shoots of recovery, with Jo Konta reaching the Top 5 in the women's game and Andy Murray becoming men's world No.1 in autumn 2016.

TOUR DE FRANCE: CLIMBS FROM ABOVE

20 HORS CATEGORIE ASCENTS IN HIGH-DEFINITION SATELLITE PHOTOGRAPHY

220 images
55,000 words
£25.00

RICHARD ABRAHAM is a journalist with *Cycling Weekly* and *Rouleur* magazines, for whom he has covered the Tour de France, the sport's biggest stage races and one-day classics. His work has also featured in *Tour*, *Cycling Fitness* and *Cycling Active* magazines. He lives in Reading and his favourite climb is the Col du Galibier.

Experience the thrill and intensity of the Tour de France's most challenging climbs using the breathtaking photography of Google Earth. In *Tour de France: Climbs from Above*, 20 notorious Tour de France *Hors Catégorie* climbs – ascents that are beyond classification – are illustrated using Google Earth's high-definition satellite imagery.

The book features such monumental climbs as the 2,715-metre Col de la Bonette, the historic Great St Bernard Pass, Col du Galibier's incredibly 15 per cent gradient climb, Alpe d'Huez's famous hairpins and the terrifying Mont Ventoux. As well as providing expertly annotated high definition maps of these climbs, the book also explores their rich history, and charts the daring Tour exploits of great Tour riders such as Fausto Coppi and Marco Pantani.

There are more than 220 photographs, providing a unique aerial guide to the twists, turns and topography of each climb and the beautiful surrounding mountain geography.

SELLING POINTS

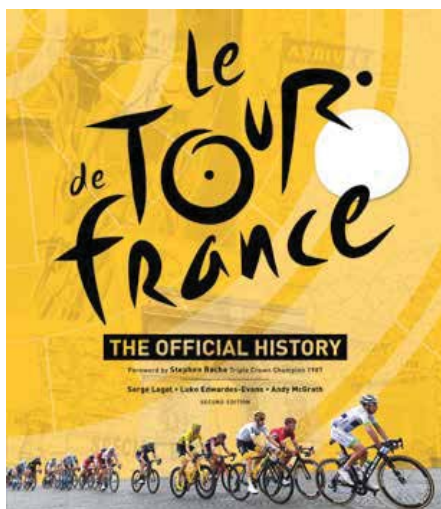

- Fully revised and updated, this is the second edition of the innovative high-definition satellite atlas of the Tour de France's most famous, historic and toughest climbs (known in the sport as *Hors Catégorie*) – roads so steep and punishing they are beyond classification.
- Google Earth photography provides unique and unsurpassed levels of detail – the Tour de France has never been seen this way before.
- The Tour de France is the most popular endurance sport in the world, now watched by more than one billion viewers in almost 200 countries every year.

May 2018
283 x 245 mm

176pp, HB
315 images
45,000 words
£20.00

Le Tour de France is the official publication on the history of the event, written in association with Amaury Sport Organisation (ASO) by three experts. It is a celebration of one of the world's most famous annual events, generally considered to be the greatest test of endurance in the sporting world.

This new edition, containing a Foreword by 1987 Triple Crown (Tour de France, Giro d'Italia and World Road Race Championship) winner Stephen Roche, comprises an authoritative narrative account of each major era up to and including the 2017 Tour – when Britain's Chris Froome joined an elite club of four-time and three-in-a-row winners. It includes more than 300 photographs, some dating back to the nineteenth century, and there are features on the superstars and memorable moments for each era. The photos include souvenir brochures, period newspapers, posters, stickers, postcards and items of correspondence, together with action shots of all the major stars both in the saddle and associated with what is universally known as *Le Tour*.

SERGE LAGET has followed the Tour since 1954 when, on holiday aged seven years old, he watched the peloton pass by. As a journalist he has covered the race for *L'Équipe* – France's leading sports newspaper – for more than 30 years and also written numerous Tour-related books.

LUKE EDWARDES-EVANS is a keen cyclist and freelance writer who regularly contributes articles to *Cycling Weekly*, *Cycle Sport* and *Cycling Active* magazines.

ANDY McGRATH is the editor of the award-winning *Rouleur* magazines.

SELLING POINTS

- An official publication of Amaury Sport Organisation (ASO), organizers of the Tour de France and publishers of *L'Équipe*, the famous French sports daily newspaper.
- This new edition is fully updated to include the drama from Tours right up to 2017, featuring the legendary achievements of four-time winner Chris Froome and one of the most prolific stage winners, Mark Cavendish.
- The Tour de France is broadcast in 186 countries around the world, and claims the largest worldwide audience for any annual sporting event.

REFERENCE

ANGELA PEEL is a journalist and author who has produced a series of books on royal subjects. She has written for a variety of magazines, including *Hello!*, *Glamour*, *Marie Claire* and *Elle*, and is a regular contributor to *The Times* and *Vanity Fair*.

March 2018
266 x 200 mm

144pp, HB
150 photographs
25,000 words
£16.99

This highly illustrated, detailed account of Harry and Meghan's relationship celebrates the announcement of their wedding and tells the story of a thoroughly modern royal romance.

The book charts their very different individual lives from childhood to shared global stardom, revealing how the couple first met on an unlikely blind date and then secured their love for one another while camping in the wilds of Botswana.

Based on first-hand anecdotes of the couple's life together, *Harry & Meghan: An Invitation to the Royal Wedding* traces the fairytale-like romance between the UK's fifth-in-line to the throne and the star of television's *Suits* up to the day of their engagement in November 2017. It also explores their plans for this highly anticipated royal wedding.

SELLING POINTS

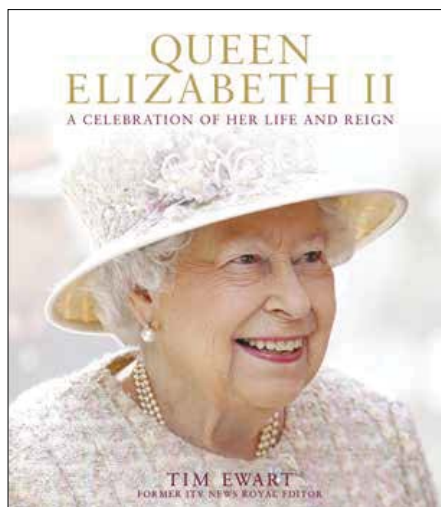

- The wedding of HRH Prince Henry of Wales to Miss Meghan Markle is the most highly anticipated royal event of recent times.
- More than 500 million people are predicted to watch the event worldwide.
- The event will be attended by a glittering array of royalty, film stars and luminaries from across the globe.
- Interest in the wedding will generate income in excess of £1 billion in sales of wedding souvenirs, tourism and television rights worldwide.

June 2018
250 x 216 mm

128pp, HB
100 photographs
22,000 words
£14.99

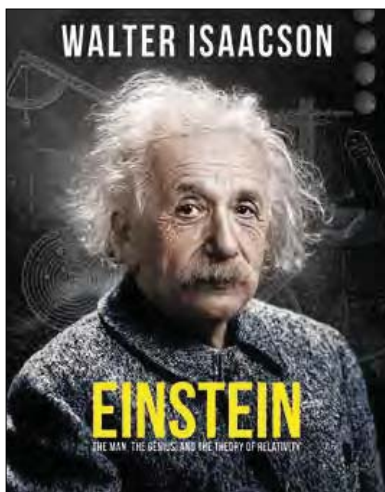

Written by the former ITV News Royal Editor Tim Ewart, this beautifully illustrated book looks at the life and reign of Queen Elizabeth II, the longest reigning monarch in British history.

It contains more than 100 photographs, many of which are from the National Archives, and reviews the Queen's reign, which has continued during the eventful years since 1953. During this time Her Majesty has maintained traditions that link the United Kingdom of today with a history that stretches back more than a thousand years. Featuring engagements that range from royal tours to state visits, and from the day-to-day to notable family events and grand occasions such as Trooping the Colour, *Queen Elizabeth II* is a delightful celebration of this historical figure.

SELLING POINTS

- Beautifully illustrated with more than 100 photographs.
- Written by Tim Ewart, the former ITV News Royal Editor, it is the ideal gift for those interested in the history of the Royal Family.
- Focuses on notable events in the life of HM the Queen, with sources from institutions including the National Archives.

WALTER ISAACSON is the President and CEO of the Aspen Institute, an international non-profit organization. He was the Chairman and CEO of the international news organization CNN and managing editor of *Time*. He has also written *Einstein: His Life and Universe* (2007), *Benjamin Franklin: An American Life* (2003) and *Steve Jobs: The Exclusive Biography* (2011).

EINSTEIN

THE MAN, THE GENIUS, AND THE THEORY OF RELATIVITY

André Deutsch
978-0-23300-547-8
May 2018
237 x 185 mm

160pp, HB
180 photographs and
illustrations
45,000 words
£20.00

Einstein is an introduction to the man who has contributed more to theoretical physics than anyone else in the last 150 years. Written by the first author allowed access to his private papers, and with fascinating imagery and accounts from his friends and family, the private aspects of Einstein's life are illuminated just as much as his science.

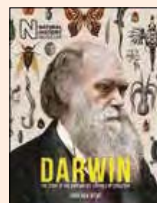

Walter Isaacson chronicles Einstein's youth and his experiments in Germany, his struggle to find work at the Swiss patent office, the awarding of the Nobel Prize for Physics and Einstein's role in the development of the atomic bomb. Isaacson also describes the family life of the renowned public figure.

SELLING POINTS

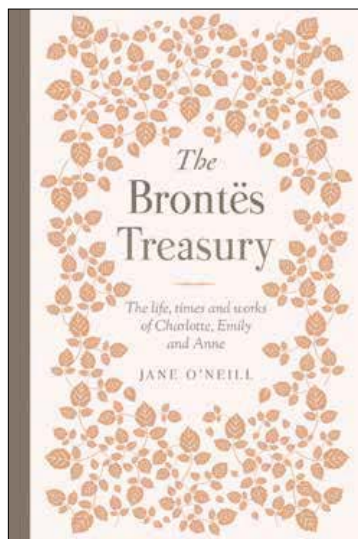

- Written by Walter Isaacson, the first author allowed access to Einstein's private papers. Isaacson wrote the celebrated *Einstein: His Life and Universe* (which sold close to a million copies in the US) and the authorized biography of Steve Jobs.
- Einstein is the most well-known scientist of the past century; his theories and discoveries have changed the scientific world forever.
- Filled with fantastic images and accounts from the Einstein family.

£9.99

The Brontës Treasury is a collection of fascinating facts about one of Britain's most lauded literary families.

It looks at the lives and works of the sisters (Charlotte, Emily and Anne) in a time of great social change, and explores the influence of their surroundings on their books. Divided into chapters on their family life, works, historical context and legacy, *The Brontës Treasury* reveals why novels such as *Jane Eyre* and *Wuthering Heights* have intrigued, inspired and shocked millions since they were first published over 170 years ago.

This book considers the facts and myths of their lives and times and reveals little-known stories about the family, including the provenance of the surname Brontë, why the siblings all died so young, the passionate love that influenced *Villette*, and much more.

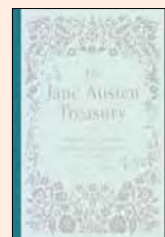

JANE O'NEILL was educated at Trinity College, Dublin, and Girton College, Cambridge, and is a life member of the Brontë Society. She has run workshops on *Wuthering Heights* and *Jane Eyre*, and wrote and produced for the Brontë Parsonage Museum *The Young Person's Guide to the Brontës of Haworth*. She has published books on *Wuthering Heights* and *Jane Eyre*.

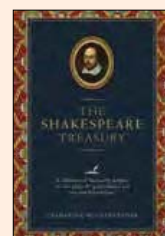

SELLING POINTS

- Written by expert author Jane O'Neill, a life member of the Brontë Society and author of several publications on their works.
- Provides intriguing facts and insights about the life and works of the Brontës in an easily accessible and engaging way.
- The bicentenaries of the Brontë siblings are being marked with a five-year programme of events up to 2020, including a new exhibition of Emily's possessions at the Parsonage Museum.

TROY

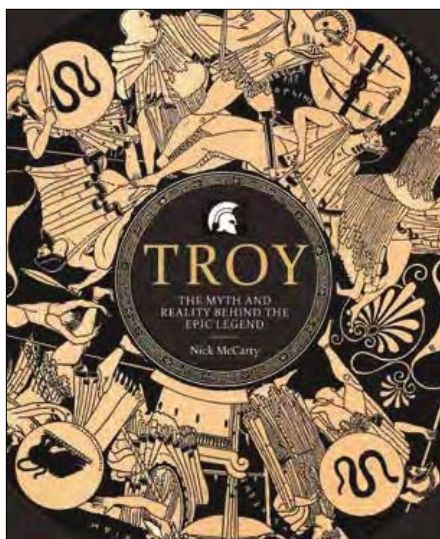

THE MYTH AND REALITY BEHIND THE EPIC LEGEND

Carlton Books
978-1-78739-091-1
May 2018
280 x 230 mm

128pp, HB
110 photographs and illustrations
45,000 words
£16.99

This is the story of the mighty city of Troy, which gave birth to one of the greatest legends ever told. Sumptuously illustrated, *Troy* uncovers the archaeological history of the city and describes the compelling tale of the siege, the mythical characters involved and the bloody battles that ensued, while answering many pressing questions about this extraordinary place.

Drawing on the works of Homer and Virgil, it provides a captivating and complete account of the legend of Troy, a legend that continues to fascinate.

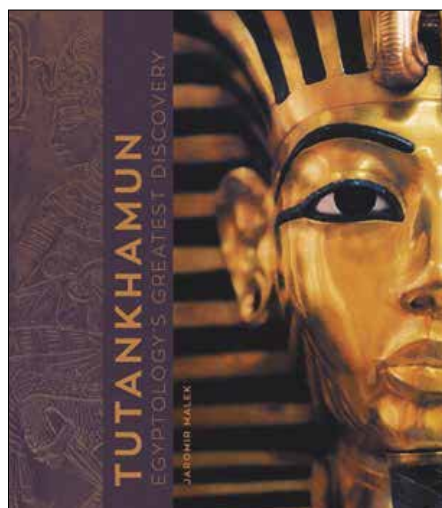

NICK McCARTY has been a professional author since the age of 22. He has written widely for television and radio, winning the Sony Best Radio Adaptation for *A Tale of Two Cities*. He has written non-fiction books about Alexander the Great and Marco Polo, and a series of historical novels set during the reign of Charles I.

SELLING POINTS

- Nick McCarty reveals the myth and reality behind Troy in a highly illustrated and captivating story of tension, obsession, drama, naked ambition, ruthlessness, greed and war.
- A high-profile series *Troy: Fall of a City*, a co-production between the BBC and Netflix, is currently in production and will be released in early 2018.

TUTANKHAMUN

EGYPTOLOGY'S GREATEST DISCOVERY

André Deutsch
978-0-23300-548-5
June 2018
283 x 245 mm

160pp, HB
200 photographs and illustrations
30,000 words
£25.00

On 26 November 1922, Howard Carter and Lord Carnarvon discovered the tomb of Tutankhamun. Never before had a tomb been found in such perfect condition, with the richness of its contents still intact.

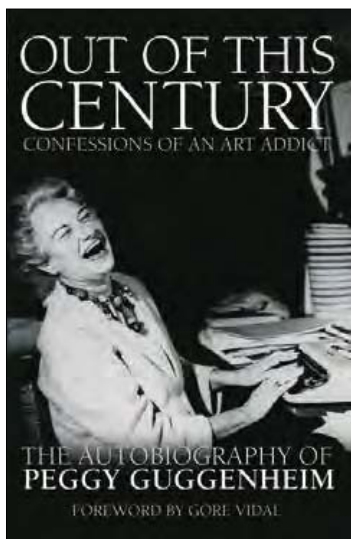

Tutankhamun details this discovery, drawing on the personal archives of Howard Carter himself. It also puts the boy king's short life into context by describing and explaining the rituals of life in Ancient Egypt. The book goes on to explain the stories that have since grown up around the discovery of the tomb and of the king who lay undisturbed for more than 3,000 years.

JAROMIR MALEK is an Egyptologist and former Keeper of the Archives at the Griffith Institute at the Ashmolean Museum in Oxford, England. He has written a number of books including *The Treasures of Ancient Egypt* (André Deutsch, 2009).

SELLING POINTS

- The discovery of Tutankhamun's tomb remains the greatest in the history of Egyptology, almost 100 years after the event.
- Full of fascinating insights into the lost civilization of Egypt, in addition to the excavation by Howard Carter.

Art collector, patron and enfant terrible, PEGGY GUGGENHEIM (1889–1979) was born Marguerite Guggenheim to a wealthy New York family. She became one of the most prominent cultural movers and shakers of the twentieth century.

June 2018
198 x 129 mm

456pp, PB
82 photographs
100,000 words
£12.99

This is the fascinating autobiography of a society heiress who became the bohemian doyenne of the art world. Written in her own words, it is the frank and outspoken story of her life and loves; her stormy relationships with such men as Max Ernst and Jackson Pollock, and her discovery of new artists.

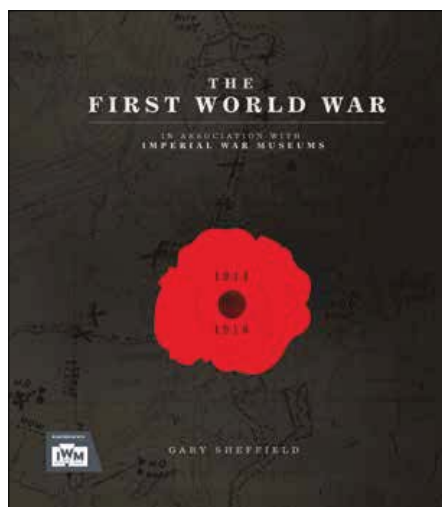

Known as “the Mistress of modern art”, Peggy Guggenheim was a passionate collector and major patron. She amassed one of the most important collections of early twentieth-century European and American art, embracing cubism, surrealism and expressionism.

A must-read for anyone with an interest in these important artists, this seminal period of art history, and the ultimate self-invented woman.

SELLING POINTS

- Foreword by Gore Vidal, the celebrated American writer and political commentator.
- Frank and engaging, the book details her private and professional life, including her relationships with Picasso, Pollock, Ernst, Dalí and many others.
- Features four plate sections of fantastic images, including those from her personal collection.

THE FIRST WORLD WAR 1914–1918

IN ASSOCIATION WITH IMPERIAL WAR MUSEUMS

André Deutsch
978-0-23300-532-4
April 2018
250 x 216 mm

256pp, HB
250 photographs and artworks
45,000 words
£25.00

Produced with Imperial War Museums, *The First World War 1914–1918* shows the wide sweep of the conflict, spotlighting some of the obscure but important actions as well as the major battles and the soldiers who fought them.

Combining a vivid narrative informed by up-to-date research with an array of original documents and memorabilia, including photographs, propaganda, newspapers, letters and military orders, *The First World War 1914–1918* records one of the most terrible wars the world has ever known.

PROFESSOR GARY SHEFFIELD is the foremost authority on the First World War and a bestselling author who has been published worldwide. He frequently leads parties to historic battlefields on the Western Front and at Gallipoli, and to the Second World War battlefields of France and Italy. His books include *Forgotten Victory: The First World War – Myths and Realities* (2001), *The Somme* (2003), and *Douglas Haig: War Diaries and Letters 1914–18* (2005), edited with John Bourne.

SELLING POINTS

- Published to commemorate the centenary of the end of the First World War in November 2018. The anniversary will ensure continued publicity for the subject and numerous events will be held to mark it.
- Covers the entire Great War, including the Western and Eastern Fronts, the war in Africa, the Russian Revolution, the war at sea and the Home Front.
- Produced in association with Imperial War Museums, whose London museum welcomes over 2 million visitors each year.
- Includes photographs of personal as well as military items, such as soldiers' letters and diaries, annotated maps, coded telegrams and battle reports.

30,000 words
£16.99

Adele: The Other Side reveals the stories behind the hugely popular songs that have made Adele the global megastar she is today. With a detailed exploration of the meanings behind her personal, sometimes enigmatic lyrics, and full of revelations about her musical journey both on and off the stage, this is the perfect book for any fan of Adele and the soulful, heart-wrenching music she has written.

Written by Caroline Sullivan – the first journalist to interview “Adele Adkins” for a national newspaper (the *Guardian*) – this insightful, approachable book reveals the history of every song in Adele’s discography, providing stories and anecdotes on their inspiration, meaning and production.

CAROLINE SULLIVAN is a New York-born music journalist who has written for *The Times*, *The Daily Telegraph*, *Time Out* and *The Independent*. Starting her career with *Melody Maker*, Sullivan became the Chief rock critic at the *Guardian*. Throughout her career she has interviewed some of the biggest names in music, including Lady Gaga, The Spice Girls and Radiohead, as well as Adele.

SELLING POINTS

- Adele has sold more than 58 million albums worldwide, and has reached Number 1 in over 30 territories, including the UK, USA and Australia.
- This is the first book to explore the meaning of Adele’s celebrated lyrics, many of which were written about her own personal experiences.

As U2 embark on a mammoth world tour to support their album *Songs of Experience*, fans and media alike will be following the band's every movement, keen to read more about their musical heroes. This book delivers an authentic, insider's view of the music and history of one of the greatest rock bands in the world.

Written by Niall Stokes, editor of Ireland's legendary *Hot Press* magazine, and featuring a history of the group by music journalist Brian Boyd, the book recounts the band's incredible career and analyses the songs from all of their studio albums, from 1980's *Boy* to 2017's *Songs of Experience*.

The story of the band, their influences and the origins of their immensely popular music is accompanied by classic and rare photographs, including portraits, live shots and many items of rare U2 memorabilia.

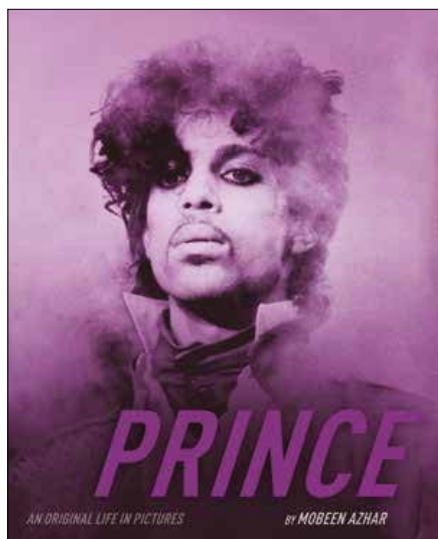

NIALL STOKES is the award-winning editor of Ireland's famous *Hot Press* magazine, and a longstanding champion of Irish music. He has known all members of the band since their early days as U2.

BRIAN BOYD is a highly respected music journalist and feature writer who pens the weekly music column "The Ticket" in the *Irish Times*. He contributes to the BBC, RTE and various radio stations abroad. He has been served tea by Morrissey, Bono has cooked him lunch and he has sung karaoke with Eminem.

SELLING POINTS

- U2's huge *Experience + Innocence* 2018 world tour includes two stadium concerts in the UK in October.
- U2 is the only group to have had Number 1 albums in the 1980s, 1990s, 2000s and 2010s in the USA.
- U2 have sold more than 150 million records around the world – and counting!
- The band has won 22 Grammy awards, more than any other band.

MOBEEN AZHAR is a BBC journalist, regular reporter for NPR's *This World*, and a Prince fanatic. In 2017, Mobeen was awarded a BAFTA for producing the BBC2 documentary *Muslims Like Us*.

PRINCE: AN ORIGINAL LIFE IN PICTURES

280 x 230 mm

144pp, PB
120 images
30,000 words
£16.99

News of Prince's untimely death in 2016 was met with shock and surprise – a great artist had passed. Prince was a paragon of artistry and individuality, a symbol (quite literally, at one point in his career) of independence; a man who lived for the art of his music. He chose to position himself outside the confines of the music industry and recorded, played and performed the way he wanted. His fans were devoted, his influence huge, his music popular, and his live shows legendary.

For his 2015 documentary *Hunting For Prince's Vault*, Mobeen Azhar interviewed some of Prince's associates; he spoke to many more musicians, friends and members of Prince's entourage when writing this book. Prince's character is revealed through the personal stories that demonstrate how Prince was kind, hard-working, eccentric, eclectic, and above all, unique.

This book also contains beautiful images of Prince from all stages of his career, including rare images from regular Paisley Park photographer Steve Parke and Robert Whitman, the man who first shot "Prince Rogers Nelson", as the artist was then known.

SELLING POINTS

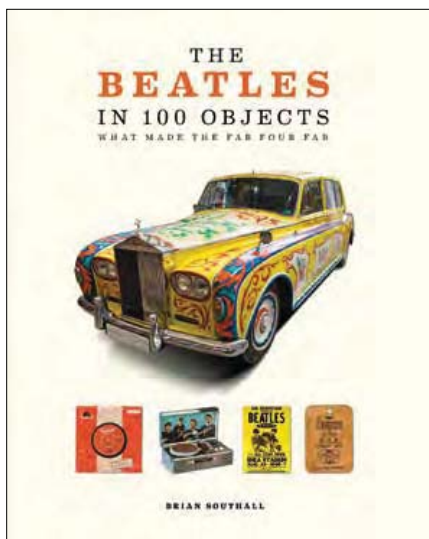

- An insider's view of Prince, including many anecdotes from his closest companions and personal entourage.
- Includes previously unpublished photographs.
- Prince was a hugely influential and popular musician who sold more than 100 million albums.
- Prince left behind hundreds of hours of music, much of it expected to be released.

THE BEATLES IN 100 OBJECTS

WHAT MADE THE FAB FOUR FAB

£20.00

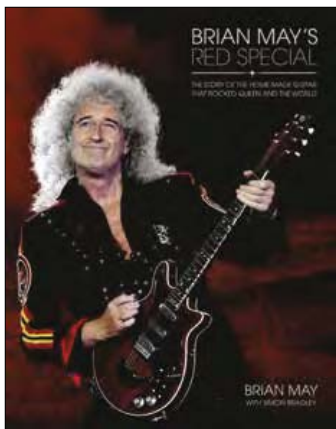

BRIAN SOUTHALL began writing about pop music in the 1960s on a local newspaper before graduating to the likes of *Melody Maker* and *Disc*. He then pursued a 30-year career in the record business working for A&M, Tamla Motown, EMI and Warner Music. He wrote the official history of Abbey Road Studios, *Northern Songs*, *The Rise and Fall of EMI Records*, *Sgt. Pepper's Lonely Hearts Club Band* and *Beatles Memorabilia: The Julian Lennon Collection*.

This book tells the story of the Fab Four through 100 of the most significant objects from throughout the Beatles' unparalleled career. It includes instruments (Paul's Hofner bass, George's Gretsch); clothing (Beatles boots and suits, Paul's Afghan coat); music (the Decca audition tape, the infamous "Butcher" cover, "My Bonnie"); tickets to the most important events (Hulme Hall, the final concert at Candlestick Park); and many other fascinating artefacts (Lennon's Rolls-Royce, Ringo's Abbey Road ash tray, George's camera, previously unpublished photos of Paul, an Apple Corps watch, Julian Lennon's drawing "Lucy in the Sky with Diamonds"). With an incisive text from Brian Southall – who worked with all four Beatles at EMI – and photographs of all the objects, this book details the importance and significance of each item, and tells the Beatles' story as never before.

SELLING POINTS

- Tells the Beatles' story from a totally new perspective.
- Prime authorship from an acknowledged Beatles expert.
- An illustrated collection of unique items, with details of how they played a part in the history of the Fab Four.
- November 2018 marks 50 years since the release of the "White Album".

BRIAN MAY'S RED SPECIAL

THE STORY OF THE HOME-MADE GUITAR THAT ROCKED QUEEN AND THE WORLD

30,000 words
£16.99

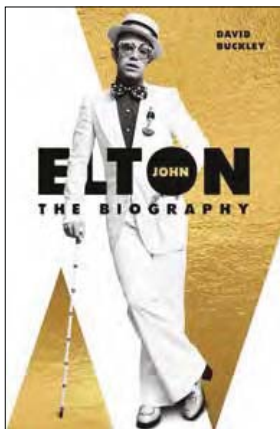

Brian May is one of the world's biggest rock stars. His group Queen has played concerts around the world, sold millions of records and influenced an entire generation of musicians. Brian May, PhD, also built his own electric guitar in 1963. With help from his father, Brian used objects he found around the house – an old bike seat spring, a knitting needle and an old mahogany fireplace surround – and others he purchased, to construct a superb-sounding instrument that he played on every Queen album from when the group was formed in 1970.

This book tells the full, fascinating story of the Red Special, and includes exclusive photography, from hand-drawn blueprints and x-rays to live shots and close-up details of every component.

There is no instrument like the Red Special, and no other book like this one.

BRIAN MAY is best known as the lead guitarist of the group Queen, which he co-founded in 1970. He continues to write, record and perform music as a solo artist, as well as with Queen + Adam Lambert.

SIMON BRADLEY has been a guitar journalist since 1996. He has written hundreds of articles and interviews on all aspects of the instrument for many magazines and websites, including *Guitarist*, *Total Guitar*, *What Guitar?*, *Classic Rock*, *Metal Hammer*, *Future Music*, *MusicRadar.com*, *Brianmay.com* and more.

ELTON JOHN: THE BIOGRAPHY

May 2018
198 x 129 mm

432+16pp, PB
30 images
125,000 words
£12.99

Meticulously researched and drawing on many original interviews with close friends and associates, *Elton John: The Biography* is a serious and highly entertaining biography of one of the most important popular musicians of the twentieth and twenty-first centuries. A fascinating figure, this book sheds light on all aspects of his development, from pub pianist to global superstar. More than 50 years into Elton's incredible career, this is the definitive biography of a showbiz legend.

DAVID BUCKLEY is the author of three other highly acclaimed music biographies, *David Bowie: Strange Fascination*, *R.E.M. and Roxy Music: The Thrill of it All*.

SELLING POINTS

- Every aspect of this famous musical instrument is examined.
- Includes rare photographs of the Red Special guitar, Brian and his father, and Queen.
- The guitar was fully dismantled and photographed for the book.
- Contains a chapter about Brian May playing 'God Save The Queen' on the roof of Buckingham Palace.

SELLING POINTS

- First time in paperback, fully updated.
- Elton is third (after the Beatles and Madonna) in *Billboard* magazine's list of the top 100 artists of all time.
- Elton John has sold more than 300 million records, making him one of the bestselling artists ever.

LIFESTYLE

CAROLINE JONES is a writer specializing in beauty, fashion and lifestyle subjects. Former Women's Editor of the *Daily Mirror*, she writes regularly for the *Daily Mail*, the *Daily Mirror*, *Red*, *Grazia* and *Top Santé*. She is the author of more than 10 books, including *Fashion Hacks*.

KATE: HOW TO DRESS LIKE A STYLE ICON

FASHION FROM A ROYAL ROLE MODEL

Carlton Books
978-1-78739-071-3
April 2018
246 x 189 mm

200 photographs
30,000 words
£20.00

This essential fashion guide to the Duchess of Cambridge's wardrobe celebrates her unique, ladylike yet youthful flair, and gives Kate's fans a detailed guide to achieving her look.

It reveals Kate's fashion secrets, her favourite designers and high street shops, and gives tips on copying her style. Featuring the Duchess' most notable outfits, such as the Alexander McQueen dress she wore during her 2016 visit to Canada or the Prada number in which she appeared just before the announcement of her third pregnancy in August 2017, it records the evolution of a style role model.

SELLING POINTS

- This book charts Kate's current styles: what she wears as a mum and mum-to-be and her beautiful choices for formal events.
- Numerous blogs chart Kate's every sartorial choice, showing how the public admires her style.
- Over 40 outfits – including the jewellery, hats, shoes and bags – are analysed, revealing why her look is a success and how it can work for you.
- Includes a directory of Kate's favourite shops and designers – from high street to couture.

£16.99

Practical Photography: How to Shoot Like a Pro is published in association with *Practical Photography* and delivers a unique photography course. Divided into 20 subject-based projects, and featuring more than 400 photographs, its tips start simple and become more challenging, enabling the reader to get the best from their camera. Teaching all the skills necessary to shoot fantastic images – with modules on self-portraits, artistic light paintings, landscapes, night photography, nature, reflections, action shots, and more – *How to Shoot Like a Pro* offers a fresh approach to improving the quality of your photography.

With friendly, jargon-free tuition on getting to know your DSLR, understanding camera settings and editing images, this book will teach you how to take better photographs.

SELLING POINTS

- Published in association with *Practical Photography* magazine, which has an audience of over 100,000 through readership and social media channels
- Features 20 projects made up of accessible step-by-step lessons and is illustrated with over 400 photographs.
- The perfect companion to Camera School, an online course sponsored by Nikon and run by the magazine.

CAROL CLERK was one of Britain's most influential rock music writers, an expert on popular culture, author and award-winning journalist. After many years on the staff of *Melody Maker*, she became a freelance writer contributing to *Uncut*, *Classic Rock* and the *Independent*, as well as appearing on radio and TV programmes and in music documentaries.

VINTAGE TATTOOS

A SOURCEBOOK FOR OLD-SCHOOL
DESIGNS AND TATTOO ARTISTS

Carlton Books
978-1-78739-105-5
June 2018
210 x 210 mm

256pp, HB
400 illustrations and photographs
30,000 words
£17.99

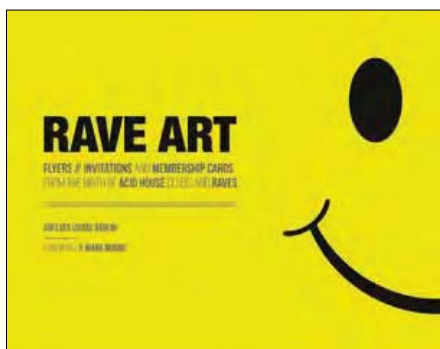

This achingly cool book explores the bold, colourful and enduringly popular designs that were perfected across two World Wars.

Each chapter focuses on a particular group of tattoos, beginning with the circus displays that kick-started the golden age of vintage design, through maritime and patriotic emblems, and culminating in the current revival of this art. Unlike other sourcebooks, it includes profiles on the most famous practitioners, as well as interviews with tattooing's living legends.

SELLING POINTS

- Reality television shows such as *Tattoo Fixers* (Channel 4) have popularized the art form by delving deep into the history of tattoos and showcasing the ever-evolving themes.
- Old-school tattoos are sported by many celebrities today and have entered mainstream consciousness.
- Hand-drawn vintage tattoo "flash" memorabilia sells for up to \$5,000 on eBay and through private collectors, with designs by such artists as Owen Jensen and Sailor Jerry especially covetable.

CHelsea LOUISE BERLIN studied art and design at Chelsea School of Art and started a company in the mid-1980s, producing hand-printed and painted T-shirts, paintings and banners. She is custodian of her “Berlin Collection”, which comprises thousands of items of ephemera and collectables from the 1980s onwards, including nightclub and rave flyers, VIP cards and memberships, postcards, tart cards, magazines and film posters.

RAVE ART

ART FROM THE BIRTH OF ACID HOUSE,
CLUBS AND RAVES

Carlton Books
978-1-78739-100-0
June 2018
185 x 237 mm

192pp, PB
200 illustrations and photographs
15,000 words
£14.99

Rave Art documents the explosion of the Rave scene in the late 80s and early 90s, through this superb collection of flyers, invitations and posters that were collected at the time by the author. Parties were advertised publicly and privately through these bright, artistic flyers and invitations, and an enormous underground culture – of warehouse takeovers and loud, raucous light shows in small sweaty clubs – developed across the UK, much of it driven by exclusive invitation.

It is written by Chelsea Berlin, who lived through the movement in its entirety and attended many of the now legendary events, from Club Shoom to Energy and Beyond. Together with personal reminiscences and quotes from infamous and not-so-famous attendees, *Rave Art* paints a picture of what is probably the last real, rebellious youth culture movement of modern times – a sociocultural phenomenon that changed music, the law, drug culture, dance and more.

SELLING POINTS

- 2018 marks the 30th anniversary of the “Second Summer of Love”, when rave culture was firmly established in the UK.
- A unique and stunning collection of flyers, exclusive invitations and rare memberships to legendary clubs and events.
- A fascinating insight into a sociocultural phenomenon that changed music, the law, drug culture, dance, fashion and design.

£8.99 (incl. VAT)

My Favourite Me will be your new best friend! Following the popular "bullet journal" format, it will allow you to learn more about yourself as you fill in the blanks in this fun journal just for girls.

What's your perfect start to the day? What is your favourite hobby and how do you relax? What goals would you like to achieve in the next year? This book will help you dream, plan and track who you are now and shape the person you want to become. With inspirational quotes for children and practical tips and tricks along the way, this book will bring out your favourite "you"!

ANNA BRETT is a creative author and editor, whose 10+ years of experience span everything from curriculum-based reference to popular culture and books with digital extras, pop-ups and stickers.

SELLING POINTS

- Keepsake journals and diaries are a perennial bestseller for girls.
- Tapping into the "bullet journal" look, this book uses high quality typographic design with vignette illustrations to recreate a pretty stationery feel.
- Book includes recording/logging spreads, list pages and aspirational planning-ahead features.
- Perfect way to capture a special time in your life – as a keepsake or to start a time capsule!
- Ideal antidote to digital overload: this book taps into the digital detox and mindfulness trend.

THE COMPLETE ADVENTURES OF CURIOUS GEORGE

André Deutsch
978-1-78312-366-7
May 2018
203 x 163 mm

400pp, PB
350 images
2,000 words
£16.99

HANS AND MARGRET REY were both born in Germany. They lived in Brazil and went on honeymoon to Paris, where they stayed for four years. There, Curious George was first created: Margret wrote the story and her husband drew the illustrations. In 1940 they moved to New York, where the first Curious George books were published in 1941. Hans died in 1977 and Margret in 1996.

Curious George, a little monkey whose curiosity always gets the better of him, has been a favourite with several generations of children. This complete collection contains all his adventures, with their original full-colour illustrations by husband and wife team Hans and Margret Rey.

SELLING POINTS

- George is an evergreen character who has appeared in books, on TV and even in his own Hollywood film (*Curious George*, 2006).
- The stories have been translated into dozens of languages and have generated tie-ins ranging from cuddly toys to video games.
- A definitive book of tales is the obvious addition to a fan's collection.
