from Lang Syne Publishing

LangSyne
PUBLISHING
WRITING TO REMEMBER

A great bestseller combination.

Brilliant family history books, magnets and coasters featuring the top UK names.

The new England ranges launched 2013 — what our customers say...

“This was our great new line. Shop area is limited and we had to think carefully about giving space over to a spinner for the books and magnets. But we were not disappointed. Sales outstripped all our expectations. We are absolutely delighted with the high sell through of these products.” *Stuart Richardson, Manager, Alnwick Castle Gift Shop.*

“The book and magnet range has sold extremely well. These products have made an excellent addition to our offer. Lang Syne developed a stand that complemented and was sympathetic with the new shop fitting and lay-out and their team merchandise on a regular basis”. *Vanessa Ward, Business Support Manager, Durham Cathedral.*
