Book Banding now available for lots of Nosy Crow books!

Find out what reading level our books are using the key below from Lilac (lowest) to Dark Red (highest band).

 Lilac	 Orange	 Brown
 Pink	 Turquoise	 Grey
 Red	 Purple	 Dark Blue
 Yellow	 Gold	 Dark Red
 Blue	 White	
 Green	 Lime	

For the first time in this catalogue, we are including book band colours for many of our books. We don't acquire or commission or edit our books to take into account book banding, and not all of our books, it turns out, can be formally banded. Where the books have been banded, the bands given reflect an independent expert's view of how these books best fit the widely used colour banding levels for KS1 (Lilac to Lime) and the extended popular KS2 book bands (Brown to Dark Red).
