**AMAZING AND EXTRAORDINARY FACTS:
SCOTLAND**

9781910821145 HARBACK £9.99

Douglas Skelton

Scotland has had a massive impact on the world. This intriguing miscellany uncovers and celebrates the culture, characters, legends, firsts and inventions that have shaped the country's rich and majestic history.

This eye opening collection of trivia will enlighten you on many of the myths surrounding Scotland. Bagpipes, tartan and haggis are all archetypal images of Scotland, but did they originate here? Clan wars, family feuds, invasions and battles are just some of the historical subjects in this fascinating read. Scots have been at the forefront of modern life, with innovators ushering in the Industrial Revolution, medical breakthroughs, and engineers famed across the globe. Along the way you will also find entries on the food, the sporting heritage and of murder most foul.

Douglas Skelton is a former journalist and local newspaper editor. He has published 11 non-fiction books dealing with true crime and the darker side of Scottish history as well as six crime novels.
